DISCUSSION RE: DEMOLITION OF TEMPLES IN AYODHYA BY THE UTTAR PRADESH STATE AUTHORITIES IN DISREGARD TO HIGH COURT ORDERS

SHRI SURESH KALMADI (Maharashtra): Madam, you are aware that both the Houses of Parliament were rocked on what was going on in Ayodhya. Yesterday, we had heard four hours of debate on this issue because this is an issue which not only concerns the House, but the entire nation. My partv had expressed very strong fellings on this issue yesterday and my entire party all over the country feels very strongly on it. *(Interruptions)* I had made a request to the Chairman as a Member of this House—and it is my right as a Member of this House for requesting and demanding—that the Question Hour be suspended on this very important national issue. I am very happy to note that it has been heard by the House. What is happening in Ayodhya is a very serious matter. *(Interruptions)* It is not just a question of one community. It is a question of Ram, Rahim, Krishna and all the different communities. We have to take all the communities with us and that is as per the Constitution of India. Yesterday, Mr. Sikandar Bakht very categorically stated that the UP Government has resolved that this place will be used for tourism development. A gross untruth has been told on the floor of this House because they are very much aware. And now the statement of the BJP is there which shows that it was an untruth. It has been verified by no less a person than the VHP Chief, Mr. Shinghal, who has said that the UP Government's permission amounts to building of the Ram Mandir. My party has said on many occasions that we have no objection...

SHRI SANGH PRIYA GAUTAM (Uttar Pradesh): You have no party now. You have been disowned by your party. *(Interruptions)*

श्री प्रमोद महाजन (महाराष्ट्र): यह तो घर से निकालने के बाद फिर घर जाने की कोशिश कर रहे हैं। ....(व्यवधान)

SHRI SURESH KALMADI: I am supposed that the very people who wanted the Question Hour... *(Interruptions)*... a discussion. What the whole country is concerned about is the demolition of all the temples in Ayodhya. The demolition started yesterday. The Government gave an order on Friday with great haste. The Vishwa Hindu Parishad and Bajrang Dal have collected about 400 to 300 volunteers and without waiting for anybody, they demolished these temples. As of now the demolition is still going on. It-is a matter of shame that the shopkeepers have been thrown out. The chief priest of the temple has been thrown out of the premises. All the luggage is still there. The people have been given only eight hour's notice for eviction. What was the hurry? Why only eight hours' notice was given for the eviction of all thpeople who are there in that area? Today that place is under the Qovemment of Uttar Pradesh. Because of that that place is under the control of the Vishwa Hindu Parishad and Bajrang Dal. Even a Minister of the Uttar Pradesh Government or the Inspector-General of Police has to enter the temple premises or the masjid premises after taking permission from Mr. Katyal, President of the Bajrang Dal. This is the state of affairs which is existing there today. There is a grip of fear. The people are worried not only on this account but tiiey are worried what will happen to the structure of the Babri Masjid.

Yesterday BJP gave a very, very dangerous statement. They said that they are not demolishing the temples. They have stated that these temples are being removed from one place to another. This is a very dangerous step which they have taken upon themselves. According to the law, they should not touch any temple. The big statue of Hanuman was also razed to the ground. It is a shameful thing. The same BJP tried to get maximum number of votes by instigating the people in the dame of Hindutva. They are resorting to shameful tactics by destroying the temple. Today they have removed the temples and tomorrow in the same way, in the same breath they will say that they are going to remove the Babri Masjid and place it somewhere else. If we keep quiet today, it will be a dangerous precedent. If we allow that temples to be removed, tomorrow they will say they want the masjid to be removed and we cannot remain silent spectators.

Then, there is the question of the High Court. The High Court has very clearly stated that there will be *status quo* as far as the problem in Ayodhya is concerned The *status quo* is being disturbed today. On the one hand they say that all the development will be done by this private trust and on the other hand they say that they are doing it for the tourism development. Mr. Madhavrao Scindia is here. If you read today's newspapers they say all the options of the U.P. Tourism Department are in Ayodhya. What are they doing? Have they handed over to the Vishwa Hindu Parishad trust or the Tourism Development Corporation of U.P. Government? The Minister should clarify this point. May I know from the Minister whether the Uttar Pradesh Government has put up any proposals for the development of tourism or this is an overnight programme of the BJP to raze the temples to the ground? They are using all tactics. This is a very serious matter. I think the Central Government must take very resolute action against the State Government.

A couple of months back I had gone there with the Rashtriya Ekta Abhyan members. I know what is the state of things in Ayodhya. I had gone there when the *kar sewa* was going on. At that time I saw all holligans were in control of

that area. Our car glasses were broken.The then Home Minister, Mr. Subodh Kant Sahay accompanied us. His escort had to open fire to enable us to escape from there. The police could not give us any protection. It is in the hands of fascists. Ayodhya area is in the hands of the fascists. The country should wake up to what is happening there.

The Central Government should wake up to what is happening there. I want to warn very clearly the BJP leadership. Please don't let the situation go out of hand. 1 have great regard for the BJP and its Members. But please don't trust the Vishva Hindu Parishad, don't trust the Bajrang Dal, for heaven's sake. You have all seen what happened in the Golden Temple. The Akalis started a movement....*{Interruptions).* I have only said 1 have to tell the BJP. Why are you objecting to that?

SHRI PRAMOD MAHAJAN: You do not trust your own party, particularly, the leader.

SHRI SURESH KALMADI: I do trust my party, *(fnterruptioim)* Our party is a great party. We arc allowed to have our own views in it. There is no problem.

I will only warn the BJP. You might have started your own movement to get votes. But the movement is going out of your hands. It is going into the hands of the Vishva Hindu Parishad and the Bajrang Dal. You can see what happened even now. The State Government of Uttar Pradesh had talks with both the committees of the Babri Masjid. The VHP did not like that. After that only, the VHP and the Bajrang Dal put pressure on the U.P. Government to take the land in this manner and take their protection. This is the whole history of it. I want to suggest, Madam, that the Home Minister must intervene. Finally, we have got the reply from the U.P. Government. I think the Central Government must take the fullest action, strong action. Because this is such a national issue which would otherwise have the country burning, I would go to the extent of saying that the State Government of Uttar Pradesh should be dismissed forthwith. My demand is that the Government of U.P. should be dismissed forthwith. That is the sort of strong action I am demanding from the Home Minister. Thank you.

Yesterday it was decided that the Budget discussions would start at 12 o'clock today. We have to pass it on Friday. SHRI S. JAIPAL REDDY: I would like to speak on this before 12 o'clock.

THE DEPUTY CHAIRMAN: If you do not argue on this matter, perhaps you will get a chance before 12 o'clock.

SHRl S. JAIPAL REDDY: Okay. Without wasting the time of the House, may I proceed now?

THE DEPUTY CHAIRMAN: I have called Shri Samar Mukherjee because he has to go somewhere.

SHRI SAMAR MUKHERJEE (West Bengal): Madam, serious concern is being felt by the entire country about this matter. So, immediate intervention by the Parliament, the Government of India and all[1] the secular forces is necessary. The report so far we have got is that the construction of wall has not yet been stopped and it is evident and quite clear that this construction started with a view to ultimately removing the Babri Masjid and construction Ram Temple. The way construction has started makes it clear. I am not going into the details whether it is violation of law or the High Court order. That legal point, that technical point, I am not emphasising. But the consequence of this is going to be very very serious for the unity and integrity of the country. The report says that the wall has been constructed so high that the Masjid is covered and it cannot be seen from outside. So this has been done deliberately with a plan. What my friend just now said is also correct that the entire control has gone in the hands of Bajrang Dal and the Vishwa Hindu Parishad. It is going out of the hands of the State Government of U.P. as well as the BJP. I remember, after the formation of the new Government, on the date of oath taking, Murli Manohar Joshi, was sitting by my side. That day I warned him. "You are playing the Bajrang Dal as well as the Vishwa Hindu Parishad for your political purposes, but the situation will go out of control and you will have no authority to control these elements because they are determined to construct the Ram temple there." So with this determination, they have started the work. Ultimately, the consequence is goung to be very very serious unless appropriate intervention is made at this stage. That is why, Madam, my suggestion is that the Government should place all the facts before the House and the entire country and the real plan behind the construction of this temple should also be made known. The U.P. Government should be asked to stop the construction of the wall and it should be immediately demolished.

Regarding other aspects, the violation of the Act which has been passed forbidding the destruction of temples and religious places which were there before 1947, that should also be taken care of whether they have violated the said Act or the State Government has violated the directions of the Central Government. But immediate intervention is absolutely essential. For that, we insist that the Government should not wait and the U.P. Government and the BJP leadership should be categorically told that if they do not intervene and stop this construction, then the consequences will be faced by the BJP, the VHP and the other sections.

However, all the secular forces should be mobilised against this move... / *(Interruptions).*

श्री कृष्ण लाल शर्मा (हिमाचल प्रदेश): महोदय, मैं एक बात कहना चाहता हूं। अभी यहां पर एक पक्ष की बात रखी जा रही है। दूसरे पक्ष को भी अनुमति मिलनी चाहिए.....(व्यवधान)

THE DUPUTY CHAIRMAN: Please listen. You ask your leader. Mr. Sikander Bakht asked me that he wants to speak in the end. Ask him. It was his request.

SHRI PRAMOD MAHAJAN: Are you permitting him? *(Interruptions)*
